

# ABOUT US

Brikkie is your all-in-one digital companion for building the home of your dreams. Designed for aspiring homeowners, Brikkie makes planning and managing your house project more simple, clear, and less stressful.

With Brikkie, we're breaking down the barriers and lowering the threshold so anyone can take the first step toward creating their dream home—confidently and cost-effectively.

# WE OFFER TOOLS FOR

## ► Plot planning

We scan your plot information and instantly show you everything you need to know to start building your home.

## ► Explore & Compare

We will recommend houses that fit your plot. View different house styles and floor plans. Tweak finishes and materials to match your budget and style.

## ► Step-by-Step Guidance

We will break your house project in to phases for you. Understand every stage of your build.

## ► Budgeting and scheduling

We will break down the budget and timeline so you know exactly what to expect at every step of your build.

## ► Financing Support

Get a ready-to-use document bundle for your bank.

## ► Build Your Way

We also provide maintenance services to keep your home in prime condition.

# WHY CHOOSE US

## Confidence & Peace of Mind:

Brikkie is like a knowledgeable parent guiding you through the process. We make sure you don't overlook important details. You'll move forward knowing you've covered all the bases – from planning permissions to insulation choices – with an expert eye on your side. It's reassurance when you need it most.

## Clarity & Transparency:

No more hidden costs or vague timelines. Brikkie gives you a clear breakdown of costs, construction stages, and timelines for each project. You'll know what to expect and when to expect it, which means fewer surprises and no nasty budget shocks. We believe in total transparency to keep you in control.

## Choice & Customization:

With Brikkie, you get options. Explore a wide selection of house designs – from affordable prefab cabins to modern family homes – sourced from trusted suppliers in Ireland and across Europe. Compare and pick what suits you, then customize it to make it truly yours. You're never limited to a one-size-fits-all plan.
